## **YOUR JUDGES**

### **Mr Tim Harrison (Glenbrows)**

The history of the Glenbrows Kennel goes back many years; the origins stem from me showing Glen of Imaal Terriers and black and tan Cockers with tan eyebrows – the Glen and the brows! Much success was enjoyed in both of the breeds, the pinnacle being Sh Ch Glenbrows Raincloud JW gaining his title and best of Breed Crufts 1999.

The welsh joined the kennel in 2001 following a visit to the great Cleavehill Kennel of the late Jean Taylor, before our children were born, theoretically for another ESS for Honor, however a 2 year old little red and white madam had other ideas! A very shy Cleavehill Ceri decided that I was to be hers, and so she joined us in Derbyshire.

In the early days of showing Ceri a chance conversation with John Thirwell led to a very hairy 12 week old puppy joining us, he was to become Honor's dog. These first two welsh became Sh Ch Cleavehill Ceri for Glenbrows and Sh Ch Ferndel Storyteller for Glenbrows JW Sh CM respectively, but most of all they were the closest friends of our then two very young sons, and all the present day kennel descend from these two.

Many homebred Champions have now followed, however our dogs are very much a family affair, and champion or not, each of our dogs is part of the family. In the show ring we are very proud to claim a number of Champions, several Breed Club Championship Show Best in Show winners; Crufts Best of Breed winners; Top Dog; Top Bitch; Top Puppy and Top Breeders.

'Glenbrows' champions are found internationally in WSS, Cockers, ESS, Sussex spaniels and a Curly coated Retriever.

I thank the club for their kind invitation and I am very much looking forward to my visit.

Tim Harrison

### **Mrs Jan Janes (Coedybrain)**

Jan attended an Agricultural show as a spectator back in the early 1970's and was bitten by the showing bug, quickly realising that her present dogs, an Irish Setter and a Welsh Springer were not show potential.

So she embarked on finding her first 'show' Welsh who was of Dalati breeding, arriving in 1978. Jan went on to show Irish Setters as well as her Welsh for several years with some success but it was on a visit to the Wainfelin Kennel of Mansel & Avril Young she purchased a bitch pup who went on to become Sh.Ch. Wainfelin Chantilly Lace 'Sian.'

Sian was a delightful girl and is behind all the current Coedybrain dogs to date. Sh. Ch. Coedybrain Dafydd, Sh.Ch.Coedybrain Carys at Typica JW Sh.CM, Sh.Ch. Coedybrain Nelli and the latest Sh.Ch. Coedybrain Nia at Cwmbielli.

Jan says she is privileged to have been involved in the South Wales show scene when the great kennels of Pencelli, Tregwilym and Dalati were around to learn from.

Advice she received has stayed with her to this day, and has helped shape her appreciation for breed type. When asked she always states among her favourites, Sh Ch. Wainfelin Barley Mo and Sh.Ch. Dalati Afan.

Jan has been Judging the breed at CC level on many occasions, including the Swedish and Finnish Club Shows, SKC and the SEWSSC the most recent.

Jan is very much looking forward to Judging at her 'own' Club Show especially as it's the 40th Anniversary of the formation of the Club of which Jan has played a huge part since its inception.

16. **DOGS IN VEHICLES ON HOT DAYS** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club

Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

#### ***Advisory Notes – Additional Rules and Regulations***

20. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
21. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
23. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
24. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
25. Please do not obstruct gangways with cages, pens, grooming tables, trolleys and dogs. Storage space will be made available for trolleys/ cages.
26. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances.
27. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.

28. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
29. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
30. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

### **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to powerpoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### **Security at Shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

## **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)**

1. These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these show regulations and/or for disciplinary action under Kennel Club Rule A42.
  - a) a dog found to have been exhibited in breach of these regulations will automatically be disqualified from exhibition at the show and from any award gained there at.
  - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42

4. The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection.
