BEST IN SHOW

After some deliberation Judges Rowland Webb and David Howarth decided to call on Referee Anita Shears to judge the finalists for Best in Show who added the following note for her decision.

I was honoured to be invited to be the referee for this show and extend my thanks to the committee.

It was lovely to have my hands on some quality Welsh Springers who were presented in excellent condition, which made my decision very hard. On the day for me the dogs just edged it on overall movement and ring presence.

Judge: Anita Shears (Stormlyne).
