CRITIQUE ~ DOG CLASSES

Thank you to the Club for the kind invitation to judge at your open show, the wonderful hospitality and to my efficient ring stewards. This was a much-anticipated appointment after the original date had to be rescheduled due to the pandemic. Overall, I was pleased with the quality of the exhibits entered and thank you to the exhibitors for entering under me and accepting my decisions so sportingly.

Jenna Cocking

CLASS 1 - Veteran Dog (1:0)

1st Brown's, Bowdonia Ozzie VW

A dog I have had the pleasure to judge before, and I was thrilled to be able to go over him again. Masculine dog, excellent head of correct proportions, kind dark eye with chiselling underneath and scissor bite. Clean in throat with good length of neck leading to well laid-back shoulders and correctly angulated forequarters. Deep chest with well-sprung ribs, and muscular hindquarters with good width of second thigh and well let down hocks. Stood on tight cat-like feet and moved soundly but lacked a little in drive today compared to Best Dog – **RBD & BVIS**.

CLASS 2 - Minor Puppy Dog (0) – no entries

CLASS 3 - Puppy Dog (2:0)

1st Stone's, Kidenan Mark Time For Merrem

11-month-old dog, showing promise but currently looking quite leggy in outline. Head of correct proportions with defined stop, desired ear set, dark eye and scissor bite. Long neck, correctly angulated forequarters down to straight forelegs. Needs time to mature in body but deep chest with ample spring of ribs. Hindquarters correctly angulated, well let down hocks and moved well – **BPD**.

2nd Lewis's, Kidenan Mark Up Von Trannon

Litter brother of class winner and many of same comments apply. Head and muzzle of proportionate length, with moderately low set ears and correct scissors bite. Still needs time to mature in body but has ample depth to chest and spring of ribs for age. Correctly angulated fore and hindquarters. Moved soundly.

CLASS 4 - Junior Dog (1:0)

1st Evans's, Glenbrows Born To Be

13-month-old dog and another youngster at that rangy stage of development. Typey head but would prefer slightly less length to muzzle, correct ear set, shape and scissor bite. Adequate depth of chest and spring of ribs for age with moderately angulated fore and hindquarters. Moved well and true coming and going.

CLASS 5 - Yearling Dog (1:0)

1st Piggot's, Hudolus Sealkiss Strumble

Masculine dog who presented a balanced outline. Head and muzzle of proportionate length, with slightly domed skull, correct ear set/shape and scissor bite. Long muscular neck leading to well-laid-back shoulders and moderately angulated forequarters. Deep chest with well-sprung ribs leading to well-developed hindquarters with well let down hocks. Moved soundly, coming and going but lacked in drive, due to matching handler's short strides on the move.

CLASS 6 – Novice Dog (2:0)

1st Piggot's, Hudolus Sealkiss Strumble

(see Yearling Dog).

2nd Evans's, Glenbrows Born To Be

(see Junior Dog) – Yearling dog won the class on body proportions and overall balance.

CLASS 7 - Post Graduate Dog (1:1) – absentee

CLASS 8 - Limit Dog (2:2) – absentees

CLASS 9 - Open Dog (2:0)

- 1st Worth's, Sh Ch Sarabande Lord of the Dance (Ai) JW**
Another dog I have judged previously as a youngster, and it was a pleasure to have the opportunity to judge him again today. 5yr old dog who presented a balanced outline. Beautiful head but still masculine with correct head-to-muzzle proportions, defined stop, dark eye with chiselling underneath and scissor bite. Muscular long neck into well-laid-back shoulders, correctly angulated forequarters leading down to straight well-boned forelegs. Deep chest, well-sprung ribs with muscular loin leading to moderately angulated, muscular hindquarters with well-developed second thigh. Presented in excellent muscular condition throughout and gleaming coat. Moved sound and true with drive – **BD & RBIS**
- 2nd Cemis's, Taimere's Talk About Me**
Another quality dog who presented a balanced, compact outline. Masculine head of correct proportions with required eye colour, ear set and desired scissor bite. Strong muscular neck with correctly angulated forequarters, leading to well-boned straight forelegs. Well-sprung ribs and depth to chest with muscular well-developed hindquarters with well let down hocks. Stood on tight catlike feet and moved soundly. Shown in excellent condition but I just preferred the rear movement on class winner.

CLASS 10 - Special Beginners Dog (2:0)

- 1st Piggot's, Hudolus Sealkiss Strumble**
(see Yearling Dog).
- 2nd Evans's, Glenbrows Born To Be**
(see Junior Dog) – Yearling dog won the class on body proportions and overall balance.
