YOUR JUDGES

Dogs: Mr Moray Armstrong (Bitcon)

I have been showing and breeding under the Bitcon Kennels name for over 45 years. I started with Cocker Spaniels then added other breeds over the years. To date we have owned or bred 52 UK Champions in Cocker Spaniels, Flat Coat Retrievers, Welsh Springer Spaniels and Hungarian Vizslas.

Over the years I have achieved many notable wins with each breed however it was with a Hungarian Vizsla we had our most success. Our dog Sh Ch Aus Ch Hungargunn Bear It in Mind was the Breed Record Holder and Top Dog of all breeds for two consecutive years. He was also Best in Show at Crufts in 2010. As a judge I award Challenge Certificates to over sixty Breeds across five Groups.

I have judged the Gundog Group, Hound and Terrier Group in the UK and I have passed my examinations to judge Best in Show at Championship Shows in the UK. I have judged in many countries around the world.

Bitches: Mrs Debra Roberts (Cwrtafon)

There cannot be a more special day than being invited to judge at the Club that you have been involved with for many many years. This will be the third time that the committee of the WSSC of SW have honoured me with such an invitation.

Over the years I have served the club as Treasurer, Vice Chairman, President, Assistant Secretary and this year now serve the club as Secretary. I thank Sue for stepping in, due to me being indisposed.

My first Welsh Springer came from Len and Kath Morgan's Cwrtafon Kennel back in 1983, initially a pet and running partner for my rugby playing husband. The show bug eventually bit and he went onto win a Reserve CC. I showed several Welsh in my ownership and even dabbled in working one, but that was short lived and not for me even though the dog loved it. Following many years of showing and more importantly friendship, I was added to the Cwrtafon affix. I have been very lucky to have handled a number of homebred champions with SH CH Cwrtafon Cadfor being the last champion. He was a typical Welsh Springer with a mind of his own and wasn't afraid to put me in my place at every opportunity. Having a Welsh Springer is definitely not boring.

My involvement in Pontypool & District Canine Society has also been longstanding, serving as Secretary for a number of years. We hold an annual open show where we are very proud to be one of the clubs chosen by the Welsh Springer Spaniel Club of South Wales to host supported entry classes.

Over recent years I strayed away from Welsh Springers and have owned/co-owned German Spitz Mittel's and while I thoroughly enjoy a completely different breed and style of showing, Welsh Springers will always hold a special place in my heart.

 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)

1. These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these show regulations and/or for disciplinary action under Kennel Club Rule A42.
 - (a) A dog found to have been exhibited in breach of these regulations will automatically be disqualified from exhibition at the show and from any award gained there at.
 - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42
2.
 - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog, or any part thereof may be performed except
 - (a) Operations certified to the satisfaction of the Board.
 - (b) the removal of dew claws of any breed
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated to in the opinion of the Board to deceive.

4. The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

Use of Electrical Equipment at Shows — the Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows — In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore, the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
